

# LifeGroup Meeting

Do Not Panic  
"In God We Trust!"

## Get To Know You Question:

What was your favorite piece of clothing when you were younger?

## Let's Dig Deeper

### **Luke 12:25-30**

1. Do you think it is unreasonable to expect to not worry about your life? Is it even possible? How?
2. What are the things you are most anxious or worried about right now? Can you identify the fear that might be underlying this worry?
3. Do you agree or disagree that worrying is hopelessly impotent and therefore utterly futile. Of all activities in which we can engage, it is totally pointless.
4. If worry carries no power to help or provide, but God has all the power to both help and provide, why then do we tend to worry more and trust God less?
5. Pastor Scott mentioned that worry is really the result of two things: 1) either we are ignorant of the things of God...his promises and his purpose for our lives, or 2) we don't have faith in God. When it comes to worry, which category do we fall into more often and why?
6. The Bible claims that worry is a sin. Why?
7. This week we learned that worry is a failure to understand divine privilege. Meaning we cannot add a single day to our lives, that is God's right and His alone. Spend some time breaking down the reality of what this means to you.
  - How has Covid-19 brought worry and stress in your life?
  - Do you think that long life is in itself virtuous?
8. Pastor Scott taught that worry is a failure to understand our divine preference. Over and over again, Jesus reveals his preference...and that preference is us! What were your thoughts when you saw all the beauty in a flower (or even in a weed) when blown up by a microscope?

- When you see the beauty in a flower that is here today and gone tomorrow, how much more beautiful do you think you are in the eyes of God?
  - How often do you reflect on the fact that you are the crown of God's creation?
9. If Jesus is telling us in **Luke 12:25-30** to not let the basic necessities of life be the priority of our lives...then what should our priorities be?
10. Pastor Scott shared a story of a woman who questioned a rich man about why he picked up a penny on the road. Share the story if someone in your group missed the sermon.
- What are some ways during the week we can stop and reflect on the fact that "In God we trust?"
  - What are some ways during the week we can reflect on our significance to God?
    - i. Or the fact that we are God's preference and he will provide for us?

11. Pray!
