Campamento, Honduras

Máximo Donald Enamorado and his wife Daysi have been working with the church in Campamento, Honduras, for 7 years. Daysi is in her third year of studies at the National Autonomous University of Honduras for her Bachelor of Education degree. We have 4 children - Patrick Joel (18), who is studying for his agricultural degree, Andy Josué (12), David Enrique, finishing elementary school, and Gabriel Alexander who will be entering first grade. We are passionate about serving the Kingdom of Christ, and our main goal at Campamento is to train leaders who can guide his people with God's wisdom in this beautiful town.

Eduardo Gonzales and his wife Cindy, partner with us in the ministry in Campamento, also supported by Legacy, as well as Israel Gálvez, José and Mirian Aceituno, and Henry and Luz Obando. We thank the Lord infinitely for the team that works together in Campamento.

2021 will be a difficult time, but in the name of Christ we will continue forward, we will continue to preach the love of Christ. We especially thank the Legacy Church of Christ, who visit us and pray for us, and provide financial support to supply many of our needs here at Campamento.

Stories of Hope

In May, Brother Henry once again felt the call of God in his life. He has gone through many difficulties in his life, addiction, and health problems in his family. Henry has seen God work in different ways this year and for that he gives thanks. So too we have all seen the brothers in the church, thanking God for his wonders in the midst of his church.

Ángel visited us for 6 months until on May 14, he gave his life to Christ. His testimony is that in the midst of his poverty God has provided for his family. They live in the mountains and every Sunday they walk 3 hours to reach the Church of Christ in La Cano. They are very grateful to the Lord for his love and mercy and praise God for it.
