

Carlos & Lucena Yepes
Medellin, Columbia

Carlos & Lucena Yepes have been serving the Lord with the Los Colores congregation in Medellin since January of 2018, and with the financial support of Legacy, they were able to resume full-time ministry with the church in early 2020. Carlos serves as the full-time minister at Los Colores in addition to teaching, evangelism, visitation and benevolence.

Previously, Carlos & Lucena worked as missionaries for eleven years in Buenos Aires, Argentina. Their adult children, Monica (30) and Daniel (22) continue to live in Buenos Aires.

By the grace of God we began our work in faith, hope and gratitude, and we ask for your prayers for the prosperity of our work. Please greet, in our name, each and every member of your congregation and express our gratitude for your support and let them know of our joy in participating with you in the ministry of the church.

In Him, Carlos and Lucena

Stories of Hope

Many of our members have not been able to attend all of our weekly services due to long hours of work, study, financial reasons and other commitments. As the pandemic began and we went to virtual services for all of our meetings, these brothers and others have been able to participate in our services, studies and devotionals, which has contributed to their encouragement and spiritual growth, strengthening their hope in the promises of the Lord.

Thanks to the Lord, since the beginning of the pandemic and quarantine in our country, our attendance and offerings increased considerably. Through these resources, by God's grace, we have been able to help between 12 and 15 families of our church. Some lost their jobs and others saw it greatly diminished, but through the generosity of others, our brothers have been strengthened, not only financially, but also by maintaining their hope of being able to get ahead.

We have also had brothers that returned to the fellowship of the Lord and his church, participating in our virtual services, and reactivating their faith and hope of salvation in Christ.

During this time of recession and unemployment due to Covid, the providence of the Lord has opened doors for employment for some of our members in response to the prayers of the church. The Lord is good, and our faith and hope are strengthened as we see his faithful promises fulfilled.
