How To Not Be Stressed About Money for the week of April 11, 2021

- 1. What is the worst piece of advice you ever received? It could be about anything, finances, relationships, school, etc.
- 2. Obviously, bad advice can find us anywhere and have a huge impact. What is a great piece of advice you have received about any topic?

We are kicking off a series this week called Broke Free where we are looking at what God wants for us when it comes to our money and resources. But before our series can get into practical steps, we first have to talk about who is in charge of our money. Read Matthew 6:24

- 3. What are your initial thoughts or feelings about this verse?
- 4. How does this verse support what you have learned about money during your life? How does this verse challenge what you have thought about money and your resources?
- 5. This conversation really boils down to the question of who or what do you worship? Even if you aren't religious, there is something that everyone worships and serves. If people do not serve God, what are other things that they might serve?
- 6. For many of us, the idea of our resources not being our own, and being part of an act of worship, is a new idea or an uncomfortable idea. What are some steps that people can take towards serving God in this particular area of their life?

On Easter Sunday, it was announced that anyone at Rainier View can sign up for Ramsey+ for one year*. If you have not signed up, you can do so at *rainierview.org/ramsey*. This will give you tools to get out of debt, start saving money, and be freed from serving anything other than God.

Leaders, allow time to assist anyone who might need help signing up for Ramsey+.

Close your time praying for one another.

* We have subscribed to one year of Ramsey+ because we want you to experience financial freedom! Our subscription ends on April 3, 2022, so the longer you wait, the less time you'll have to take advantage of this opportunity and access these great tools.
