

LeaveAMark Church

Columbus, Ohio, United States

Category: Media/Tech Director

Denominations: Non-denominational Protestant

Church Size: 700-800

Job Type: Part-Time {(15 hours per week) (Pay negotiable)}

Job Description:

LeaveAMark Church is committed to leading people to Christ and providing steps to follow Him. We are a single site church on the Southside of Columbus, OH. We are seeking a talented team member to join our staff as a Media/ Tech director.

Ask yourself the following questions to see if you're a good fit:

- Do you have a broad range of production experience in audio, lighting, stage design live streaming, and video broadcast?
- Is your best work done with an approaching deadline?
- Can you manage details?
- Can you function on a team where change is rapid?
- Are you able to make progress on multiple projects simultaneously?
- Are you a self-starter?
- Do you want to be part of a place that you can make your church home?

Position Overview: The Media/ Tech Director provides oversight to the production department, and sets standards and develops systems to support the technical needs of weekend and special services. Provide leadership and management to paid staff and help train and develop volunteers.

Qualifications:

- A strong walk with God through a growing personal relationship with Jesus Christ
- Teachable, with a desire to grow in their faith and abilities
- A self-starter—highly motivated
- Has a passion for Production and Worship Arts
- Technical Knowledge and Skills
- A good role model
- Team player with effective relational skills (works well with others)

- A lifestyle that honors Christ and is beyond reproach

The Media/ Tech Director will:

- Collaborate with the worship pastor to establish the overall direction of the weekend service experience at **LeaveAMark**
- The Media/ Tech Director will focus on training and support in the areas of audio, video, lighting, and broadcasting for all sites and services.
- Train staff and volunteers at each service to improve the worship experience.
- Help decide and implement equipment standards and processes to maintain a high level of excellence in production for all ministry needs
- Maintain all systems in place, while leading us into newer or better ways to serve people at **LeaveAMark**
- Actively manage video production projects.
- Responsible for establishing a live stream of weekend services to better serve our digital congregation. Collaborate with IT staff for quality control and execution of live streaming.
- Ensure consistency and quality of worship lighting at all service.
- Continually develop and implement new production elements and initiatives.
- Recruit, train and develop volunteers to serve on the production team.
- Other duties as assigned.

Technical experience:

- Working knowledge and skills of production equipment and operation including:
 - Digital audio consoles and IEM systems.
 - Experience with both live production lighting and usage, and broadcast lighting for video.
 - Live, in-room cameras as well as studio video equipment.
 - Knowledge of and experience using ProPresenter, Logic, Final Cut Pro...etc.

The ideal candidate will be a team player with 5 years of experience.
