# WHO IS THE “MIGHTY ANGEL OF REVELATIONS 10:1?

- “clothed with a cloud” similar to the coming of Jesus (Rev. 1:7)
- “ a rainbow was on his head” – similar to the one around the throne of God (Rev. 4:3)
- “his face was like a sun” – similar to the coming of Jesus (Rev. 1:7)
- “his feet like pillars of fire” – similar to the description of Jesus with feet like Bronze “as if refined in a furnace” (Rev. 1:15)

# **WHY THE MIGHTY ANGEL IS NOT JESUS**

**1. Jesus is not described as an angel in the book of Revelation. He is Lord of the angels using them to execute His judgment on the earth.**

# WHY THE MIGHTY ANGEL IS NOT JESUS

2. John identifies this angel as “another” mighty angel (10:1). The Greek word is *allon* “another of the same kind”); he would have probably used the *heteros* (“another of a different kind”) if it were Jesus.

# **WHY THE MIGHTY ANGEL IS NOT JESUS**

**3. This “mighty angel” comes to the earth between the 6<sup>th</sup> and 7<sup>th</sup> trumpets; Jesus does not come to earth until after the Tribulation.**

# WHO IS THE “MIGHTY ANGEL” OF REV. 10?

Probably Michael the archangel– Michael’s name in the Hebrew means “who is like God” which would explain the similarity of characteristics while representing God’s presence, authority, and power.
