

From The Desk of Todd Bentley

By Todd Bentley

Dear Friends,

It has been another amazing year. I am writing this letter as we finish out 2011 in the UK. This is my first visit to England and Wales in almost five years. I trust you are all enjoying the holidays. This was the best Thanksgiving yet and I now look forward to a visit from my kids for Christmas in Charlotte, North Carolina.

Thankful

As we remember 2011 and plan for 2012, let's remember to be thankful for all that the Lord has done. We just returned from South Korea after a three week visit! The prayer revival continues. We were humbled by the hunger of the people and their commitment to pray for the meetings. There were churches and youth preparing with forty day fasts for the meetings and prayer services sometimes five times a day. The hunger was awesome as many sick people came in ambulances and on stretchers in desperation for healing. Many disabled filled the altars and we saw several lame walk and deaf hear. We saw salvations and many miracles and healings. It was great to preach revival and power in Presbyterian, Methodist and Baptist churches. More than fifty pastors joined these meetings as well as revival crusades in five different cities. Asia is wide open and we are already planning a six week visit to Korea in the spring. We are looking forward to partnering with 120 pastors this time in a Leaders Conference as well as a Supernatural School and four revival and power crusade meetings in six cities.

NEW BEGINNINGS

I have a word from the Lord for 2012! It is NEW BEGINNINGS!! It is a time to start over again. The Lord has been speaking to us to return to our roots. As many of you know, soul winning crusades, power evangelism, missions, and the nations is our first call. This will be a year for the nations! We have already seen over a million decisions for Christ in this ministry. Let's believe God for many more! We are starting 2012 with a bang and returning to Haiti for a city-wide Power Crusade. We are excited to see thousands of Haitians receive the gospel. Last year we saw more than 20,000 touched with the power of God and several thousand receive Christ. Let's believe for greater things this year in Haiti, as well as our trips to Korea, Europe and Canada. We are most excited about returning to our roots in Africa. We are in the planning stages for power crusades, outreach and ministry to the poor. I want to get back to "open air" preaching and outreaches in the slums. Many of these meetings will be in the bush, marketplaces and refugee camps. Every time our ministry returns from Africa we see an increase of God's power in America. Pray for us. Burundi, Congo, South Africa and many other places are excited for our coming.

Here at Homebase

We will continue to remember God's plan to see America saved and will continue with our Revival, Healing and Kingdom ministry here. We will have a continued focus on power evangelism in the streets and soul-winning and healing ministry everywhere we go in 2012. We love working with the local church in cities and continue to impart a revival culture that is growing in America. We look forward to hosting another summer Healing School and continuing to build our base in Charlotte, NC.

Preparing for 2012

As we come to the end of the year, I know many of you are busy and spending much needed time and rest with family during the holidays. Would you consider standing with us and helping us finish 2011 financially strong to be ready for the new year? We are believing God for 50,000 dollars as we finish our fundraising effort for Haiti and FFM USA in 2012. Thank you for considering a tax deductible end of the year gift and revival seed for the harvest in 2012. We love and appreciate each of you who are standing with us in prayer and partnership for this coming year.

Every Blessing as we lift Jesus High this Holiday Season.

End of Year Giving

In closing, we understand that as the year draws to a close many of you are already looking back over your charitable contributions for 2010 and your upcoming tax credit. I will tell you there has never been a better time to sow into the ministry of Fresh Fire USA as we prepare for our upcoming Mission Outreaches including the Haiti Project and Crusade!

If you would like to make an end of the year contribution to support the ministry of Fresh Fire USA, you can give by cash, credit or debit card or by writing a check made out to Fresh Fire USA. We promise to faithfully steward every offering and every love gift that we receive as these offerings are being given as unto the Lord and we are simply stewards of what He has entrusted to us.
