

Two Ways to Fish

By Todd Bentley

There are two ways to fish. Both can be enjoyable and both can test your patience and your persistence. The first way is to take a fishing pole and catch one fish at a time. Most people fish this way. The second way is to use a net catching thousands of fish at a time. This type of fishing is for commercial fishermen that feed millions of people. Few are called to fish this way, but everyone benefits from the work of these few.

In Luke 5:4-7 we read, "When He (Jesus) stopped speaking, He said to Simon, 'Launch out into the deep and let down your nets for a catch.' But Simon answered and said to Him, 'Master, we have toiled all night and caught nothing; nevertheless at Your word I will let down the net.'" And when they had done this, they caught a great number of fish, and their net was breaking. So they signaled to their partners in the other boat to come and help them. And they filled both boats, so that they began to sink."

This is an amazing supernatural historic account that we see at the instruction of Jesus. Today, this same opportunity exists. Jesus has called Todd Bentley and Fresh Fire USA to catch fish by the net full. While most Christians will catch one fish at a time, Jesus still calls a few to let down their nets to catch a multitude of fish. But as you see in Luke 5, this can only happen if there are partners nearby who can share the load. The word partners in the Greek is the same word used for "partakers" in Hebrews 3:14 where we become partakers of Christ. Partakers means to participate, associate, share, partner, and to be a companion.

Jesus has called Todd and Fresh Fire USA to bring in the harvest by the net full. Therefore we are looking for partners who can partake in the harvest with us. While there are many revival meetings and equipping schools that we do in North America, our call is to missions and to reach the lost. This is expensive. To feed the poor and win the lost, we need millions of dollars. Currently, there are several crusades and outreaches planned to touch the poor, sick, and outcast. With the power of the Holy Spirit and 2500 partners, we believe we can fill the nets with 250,000 souls every year. Will you consider joining us with a monthly commitment and be one of those 2500 partners? Here are some options:
