

God will make your axe head float By Todd Bentley

Dear friends and Partners of FFM,

I greet you all today in the powerful name of Jesus. It truly is a great day to be alive and witness all the of the great things that the Lord is doing throughout the earth. It is so exciting to know that right now the sparks of Revival are being lit all over the world. It is so exciting to know that right now blind eyes are being opened, deaf ears are hearing, cancer is being eradicated, wheelchairs are being emptied, the dead are being raised, broken hearts are being healed, relationships are being restored, the gospel of the kingdom is being preached and peoples hearts are being transformed by the power of the Holy Spirit. There is so much fear and confusion being spread around the earth right now and I believe the time has come to stir ourselves up to this revelation. The harvest fields are truly ripe and it's time to work in them while it is day! The best days of Heaven on Earth are ahead of us and Im so proud of the Bride that is emerging and shaking the nations with the power of kingdom!

The best days of Heaven on Earth are ahead of us

We have been so blessed to have traveled around the world since January of this year with so much fruit to lay at the feet of Jesus. But while we are fast approaching the beginning of the summer we also aware of the multitude of opportunities and open doors that the Lord has given to us for the last six months of this year.

A scripture so relevant for this time and season

I have been meditating on a particular passage of scripture that is so relevant for this time and season that we are now in. In 2 Kings 6:1-7 it says:

"And the sons of the prophets said unto Elisha, Behold now, the place where we dwell with thee is too strait for us. Let us go, we pray thee, unto Jordan, and take thence every man a beam, and let us make us a place there, where we may dwell. And he answered, Go ye. And one said, Be content, I pray thee, and go with thy servants. And he answered, I will go. So he went with them. And when they came to Jordan, they cut down wood. But as one was felling a beam, the axe head fell into the water: and he cried, and said, Alas, master! for it was borrowed. And the man of God said, Where fell it? And he shewed him the place. And he cut down a stick, and cast [it] in thither; and the iron did swim."

This isn't enough, we want more

As I was reading this passage I was amazed at the Faith of the sons of the prophets when they said the place where we dwell with you is not adequate. They said lets build a bigger one. Lets enlarge our capacity. I believe that faith is being stirred up within the Body of Christ right now and I believe our spirits are crying out, "This isn't enough, we want more". And at some point many of us have stepped out to begin to stretch our faith and build. To gather materials and put some action behind our vision. And then out of nowhere one small thing goes wrong just like it did with this man's axe. And we begin to look around and listen what everyone is saying about the economy, the world, the church, etc. We begin to panic just like that man with axe did in this passage. Now, look at this. Without missing a step here comes Elisha and basically says Fear not, your about to see the Glory! He gives the man an instruction and the man obeys. Then miraculously the axe head floats.

Hear the word of the Lord

I believe the enemy has been plaguing your seeds of faith, your sowing, your building, your dreams and your visions with fear, doubt and unbelief. And it is time to hear the word of the Lord, "YOUR AXE HEAD WILL FLOAT". Your not going to lose the seeds, the faith, the passion and the hunger that you started with. Your not going to lose it, your going to see it increase. Your going to see your supply of seed increase as promised in Corinthians. Your not going to see it increase and abound by holding onto it in fear and doubt. Your going to see it increase and grow by releasing it with the faith and vision that the Lord has given to you! There is not greater time to sow into the kingdom then right now. The forecast we have is a 30, 60 and 100 fold return. That's good news!

Two Great Events

Friends, we are getting ready to head into our Kingdom School in Fort Mill, SC and from there we travel to Virginia Beach for our Greater Glory Gathering and from there around the world. The Lord is going to do great things in the second half of this year and we need your prayer, partnership and support to see these mandates met.

Right now we have an immediate budget need of \$15,000 as well as meeting our budget for the rest of this year. As I was praying about this need the Lord dropped the number 300 into my spirit. Even though we have over 12,000 people on our mailing list who will be reading this, the Lord has brought that number 300 to me over and over again. We are asking and believing for a remnant of 300 of our partners to pray about sowing a seed of \$50 or more and to keep these two great events in prayer as well.

Thank You Friends

We have been so blessed by the great financial testimonies that have poured in this year and we can't wait to hear all the testimonies that are on the way from this \$50 seed offering. We thank you so much for your faithfulness and dedication to this ministry and look forward to all the great things that the Lord has in store for us throughout the rest of this year.

In Christ,

Jacob Martin
