**Why You Dont Want To Miss This Years Greater Glory Gathering?**

Like the Gatherings we have had in the years past, we are contending for the heavy/weighty presence of the Lord.  
That is our central theme and motive of hosting this conference every year. We want to gather corporately in unity and press in for the fullness of His power and presence. During the Greater Glory Gatherings we see healings, miracles, debt cancellations and many other testimonies of His goodness. As I was praying about this years Greater Glory Gathering June 1-4 in Virginia Beach, VA, I felt three things the Lord is specifically going to address is favor, justice and restoration.

Also, one night during the Greater Glory Gathering we take time and ask that you write down on a piece of paper something that represents your debt. and present them before the Lord in a debt cancellation service. In previous Greater Glory Gatherings we have received hundreds of testimonies of financial breakthrough. I would like to give you just a couple of testimonies that we have received from last years Greater Glory Gathering.

**Testimonies From The Greater Glory:**

Hey Todd and Staff, just wanted to send another encouragement note- I attended the Greater Glory Gathering last week and sowed some seed- \$130.00, on Friday after the gathering, we received and unexpected check in the mail and -overpayment- in the amount of \$1386.45! Over ten fold. Awesome God! So, Im sowing again.

**TESTIMONY- GREATER GLORY GATHERING SUPERNATURAL DEBT CANCELLATION OF OVER \$250,000.**

Last year my husband and I attended the Greater Glory Gathering in 2010. The teaching on the last night regarding favor, blessings, the gold and the glory was so full of revelation on finances and so anointed, that my husband and I ended up praying over our many financial challenges, and I knew that this was going to be a turning point, even though we had already been decreeing Favor and Deut 28:1-14 over our finances for years.  
My husband and I had made millions in real estate in Southern California, and had made a profit on every deal we ever did, probably over 30 deals, except one a piece of subdivision land, that was now taking everything we had. The miracle was not instant, but came in steps. The first miracle that God did was in the area of our credit card debts. In December, I began talking to the credit cards after having ignored them for almost 6 months. We owed \$90,000 to B of A, and miraculously they settled the debt for \$22,000. We continued to negotiate with other credit cards and received about \$200,000 in debt forgiveness.

Praise God for these testimonies. We are standing and believing with you for YOUR Breakthrough not only in finances but also in every area of your live that you are contending for. Come expecting a life changing touch from the Lord!
