

## Confronting The Spirit Of Leviathan: Pt. 1 By Todd Bentley

In the last few weeks in prayer, I have come up against a spirit called Leviathan. I have recently heard other ministries talk about this spirit. One pastor recently in a vision saw this serpent crawling into the church basement. I believe this demonic power works hand in hand with the spirit of Jezebel. Some have even had a vision of them both hand in hand. When we get victory over Jezebel we need to watch out for this Leviathan spirit. There are only a few direct references to this spirit in the scripture, but as I have studied out these passages I have received some revelation on how this spirit attacks. Who is Leviathan? How do you expose and counter attack his assaults?

We have in the book of Job 41 and the first 6 verses of Job 42 a large portion of scripture on this spirit. The first thing I want to establish in this article is, who is Leviathan? I believe that this spirit is a principality not just a demon and primarily attacks ministries.

### Definition of Leviathan

The transliterated Hebrew word for Leviathan (liyathan) means, "twisted," and "coiled." In Job 3:8, (Revised Version, and marg, of Authorized Version), it denotes the dragon which, according to Eastern tradition, is an enemy of light.

In Job 41:1 the crocodile is meant; in Psalms 104:26 it denotes "any large animal that moves by writhing or wriggling the body, the whale, the monsters of the deep." This word is also used figuratively for a cruel enemy, as some think "the Egyptian host, crushed by the divine power, and cast on the shores of the Red Sea" (Psalms 74:14) As used in Isaiah 27:1 "leviathan the piercing [RSV 'swift'] serpent, even leviathan that crooked [RSV marg, 'winding'] serpent."

### Leviathan Is Not A Demon But A Principality

When we read Job 41 and other passages that we will look at in this teaching, it will be clear that unlike popular belief, that maybe this Leviathan was a dinosaur, or as the scripture describes in Ps 74:14 and in Job 41:1: "as a large sea monster of unknown identity". I believe that this creature is more than Ogo Pogo or some Lock Ness monster.

Leviathan is a demon principality not just a demon spirit. Lets look at a few verses;

Job 41:1 "Can you draw Leviathan out with a hook?"

Job 41:10 "No one is so fierce that they would dare stir him up."

Job 41:26-32 "If one lay at him with the sword, it cannot avail; nor the spear, the dart, nor the pointed shaft. He counteth iron as straw, and brass as rotten wood. The arrow cannot make him flee; sling stones are turned with him to rubble. Clubs are counted as stubble; he laugheth at the rushing of the javelin. His under parts are like sharp potsherd; he spreadeth as it were a threshing wain upon the mire. He maketh the deep to boil like a pot; he maketh the sea like a pot of ointment. He maketh a path to shine after him.

It is clear that natural weapons cannot destroy him. Isaiah 27:1 "In that day the Lord with his severe sword, great and strong, will punish Leviathan the fleeing serpent, Leviathan the twisted serpent, and he will slay the reptile that is in the sea."

It will take the sword of the Lord to overcome this Leviathan; it is more than just a natural large sea mammal.

### I believe that the primary purpose of the spirit it to attack ministries.

PS 104:25-26 "This great and wide sea, in which are innumerable teeming things, living things both small and great. There the ships sail about; there is the Leviathan which you have made to play there."

When the scripture speaks about the Leviathan, it is always in the sea or in the rivers. The Egyptians both feared and worshiped this creature. They feared him in ancient Greek mythology as the "God of Chaos" and also worshiped him as the great serpent in their rivers responsible for prosperity and good business. The Egyptians believed they had created the rivers just because they learned to use it. This pride was one of Egypt's greatest sins.

I asked God about this verse in Psalm 104 and He showed me the sea is a picture of the

"Sea of humanity" the world. In Isaiah 27:1 it is clear that when God is speaking about Leviathan in the sea He is speaking about the enemy nations of Israel in the world. This serpent like creature or as some believe crocodile that lived in the Nile, is seen along side of the ships.

Psalm 104:26 "There the ships sail about; there is the Leviathan. Ships are prophetic of merchants and business."

I believe ships are ministries those who are at labor in the "sea of humanity". This spirit wants to destroy ministries, especially those at labor in the harvest. This spirit wants to destroy and bring down ministries and as we will see he will do it with his greatest weapon, his tongue.

### Who is Leviathan?

It is clear in the bible that Leviathan is a serpent snake like creature. Isaiah 27:1 "In that day the Lord with his severe sword, great and strong, will punish Leviathan the fleeing serpent, Leviathan the twisted serpent, and he will slay the reptile that is in the sea."

Psalm 74:13-14 "You broke the heads of the sea serpents in the waters. You broke the heads of Leviathan in pieces."

I also believe that Leviathan was like or even was a crocodile (Job 41:2) "because of his crashings they are beside themselves," (Job 41:14-15) "who can open the doors of his face, with his terrible teeth all around? His rows of scales are his pride."

It is interesting that not only did Egypt worship this Leviathan but also that Pharaohs crown had the emblem of a large serpent with a ruby in it. There is a connection in Ezekiel to this principality, Egypt and Pharaoh.

Ezekiel 29:3-5 "Thus saith the Lord Jehovah; behold, I am against thee, Pharaoh king of Egypt, the great monster that lieth in the midst of his rivers, that hath said, My river is mine own, and I have made it for myself. And I will put hooks in thy jaws, and I will cause the fish of thy rivers to stick unto thy scales; and I will bring thee up out of the midst of thy rivers, with all the fish of thy rivers which stick unto thy scales. And I will cast thee forth into the wilderness, thee and all the fish of thy rivers; thou shalt fall upon the open field; thou shalt not be brought together, nor gathered; I have given thee for food to the beasts of the earth and to the birds of the heavens."

In Job 41:2 the scripture speaks about hooking the jaw of Leviathan. In Ps 74:14 it speaks about Leviathan being food for the people and the inhabitants of the wilderness. In Ps 104:26 it is clear that Leviathan is living in the sea and rivers.

I believe that this principality worked through Egypt and Pharaoh and even helped to make Egypt what it was. What is clear in Ezekiel 29: 3-5 is the connection between Pharaoh and Leviathan. We will look a little bit later at the connection between Egypt and Leviathan in helping us understand how the spirit gains access, attacks and what we can do to overcome him.

### Leviathan's Seven Heads

Ps 74:13-14 "You broke the heads of the sea serpents in the waters. You broke the heads of Leviathan in pieces. You broke the heads of Leviathan in pieces."

It was recently pointed out to me in my studies on Leviathan that the seven heads of Leviathan are found in Proverbs 6:16-19 "There are six things which Jehovah hateth; Yea, seven which are an abomination unto him; haughty eyes, a lying tongue, and hands that shed innocent blood; a heart that deviseth wicked purposes, Feet that are swift in running to mischief, a false witness that uttereth lies and he that soweth discord among brethren."

I have seen the way Leviathan attacks and how this spirit works, but I found the seven heads to be great revelation. As I studied this out further on my own I found the connection between Leviathan and the dragon in Rev 12:3 "A great red fiery dragon having seven heads and 10 horns."

### Like Jezebel this spirit is anti-Christ and against the anointing on ministries.

It is interesting to note in the Hebrew and Greek translations of the word Leviathan, we will see clearly as it is and will be established in this article that Leviathan is translated: serpent, crocodile and even more clear that the dragon, satan himself is all these in one. I believe that Leviathan is either or definitely carries the very nature and works of the accuser of the brethren.
