

## A Special Need

By Todd Bentley

Dear Friends,

### THANK YOU PARTNERS FOR STANDING WITH US FOR AN AMAZING YEAR

Todd Bentley and the team at Fresh Fire are so thankful for the incredible things we've already seen God do this year. We've been so encouraged by you and all our partners and friends who have stood with us. You have made possible evangelistic outreaches, events and humanitarian aide projects that have impacted cities and seen thousands saved, healed and blessed by God.

### WITH YOUR HELP WE ARE CONTINUING TO BLESS THE POOREST AREAS OF HAITI

Early in January we pressed into faith to respond to specific needs in Haiti that came to our attention. There was an opportunity to help complete a water purification system and provide safe drinking water to those living in one of the largest, poorest areas in the Western Hemisphere, Cite Soliel. We mobilized a team of 32 people who selflessly pitched in as we held daily outreaches to the absolute poorest of the poor and held healing crusade meetings in the evenings where we saw many thousands saved and touched by God. We are returning in January to continue the work with our Haitian friends.

### GREAT FRUIT COMING FROM CONFERENCES, SCHOOLS AND PROJECTS IN AMERICA

Since returning from Haiti we launched straight into our signature "Secret Place Conference" in Fort Mill and we've been on the road almost constantly since then bringing the message and power of the Gospel to our nation. We are soon to launch a new initiative called "Missions in America" where we are establishing collection points for food relief across the country as we recognize the increasing need to feed the hungry in America. More to come about this desperately needed project soon.

### CONTENDING NOW IN SEATTLE WASHINGTON: RIPE FOR REVIVAL

Right now we are in Seattle, Washington where God is moving in tremendous ways as the Gospel of the Kingdom is being preached and demonstrated with great power! A man who was blind for 50 years was completely healed this week and many more great testimonies are coming in each day.

### TAKING STEPS OF FAITH AS WE BELIEVE FOR GREAT INCREASE IN 2011

As I write this letter the Holy Spirit is speaking to me from the book of Isaiah,

Enlarge the place of your tent,  
And let them stretch out the curtains of your dwellings;  
Do not spare;  
Lengthen your cords,  
And strengthen your stakes.  
For you shall expand to the right and to the left,  
And your descendants will inherit the nations,  
And make the desolate cities inhabited.  
(Isaiah 54:2-3)

We have truly entered into a season of harvest in 2011. Everywhere we're going we are seeing the harvest increase. The Lord is stretching and challenging Fresh Fire this year for an enlarged harvest and we need your help and faith as our partners. Continue to stand with us and be apart of building the Kingdom of God here and around the world.

### PLEASE HELP US MEET OUR QUARTERLY BUDGET

We are approaching our deadline to meet our first quarterly budget and we still need \$20,000 to get there. We are working on several projects in America and the nations that will see the souls tangibly saved, healed and delivered but we cannot do it without the support of our partners and friends. Please pray about what the Lord would have you sow as a special one time gift into the great Kingdom harvest that lies ahead of us in 2011. Now is the time, the harvest is ripe!
