

**Urgent Haiti Relief Effort**

By Todd Bentley

Dear Friends & Partners,

**ONE YEAR LATER THE SITUATION IN HAITI STILL DESPERATE**

Last January one of the strongest and most devastating earthquakes ever recorded struck the nation of Haiti. Already considered the poorest nation in the Western Hemisphere where 80% of the population lives in extreme poverty, this earthquake and its 52 aftershocks is estimated to have killed 230,000 people. The event instantly rendered 1.5 million homeless. Many of those have spent the last year living in one of 1100 homeless camps. Over 3 million people were left in need of immediate emergency aid. The destruction, grief and heartache is absolutely unimaginable.

**FRESH FIRE SENDING RELIEF TO HAITI HEALING THROUGH CRUSADE TRIP JANUARY 7-15**

Though the media coverage has faded, the cry for help continues. The opportunity for The Gospel of Jesus Christ to reach the people of Haiti has never been greater. Fresh Fire Ministries is committed to remembering the people of Haiti and being an ongoing part of impacting this nation for Jesus Christ. We are asking you to join us, so together we can make a significant and personal difference in the lives of these people. We have been in communication with our friends in Haiti in preparation for first crusade meetings and outreaches in and around the city of Port au Prince.

**PLEASE BE INVOLVED! HELP HAITI RIGHT NOW**

We want to let you know about this exciting opportunity and how you can be involved. During January 7-15, 2011 Fresh Fire Ministries will be taking a team to Port Au Prince, Haiti coordinating daily outreaches to some of the poorest and hardest hit areas in the world. The need is tremendous but we believe Jesus is the answer. With the help of our friends, the Haitian Government and an extensive pastoral network in Haiti we will be hosting open air crusade meetings right in the midst of the destruction left by the earthquakes. Rather than a far-away, big city stadium we are taking worship, preaching and the healing power of Christ to the darkest areas where hurting people already are.

**CRUSADES, OUTREACHES, PASTORS CONFERENCE, DISCIPLESHIP, FOOD & CLOTHING DISTRIBUTION**

As well as the evening meetings Todd and The Fresh Fire Missions Team will be involved in outreaches every morning and afternoon and hosting a pastors conference during the day to pour into and further equip leaders in Haiti. In cooperation with local churches and pastors we have a detailed plan for people who make decisions for Christ at our meetings and outreaches to be involved in ongoing discipleship in their local church. We also are praying for additional funds to purchase trucks of food to distribute to those in need and we are making arrangements to ship 11,000 lbs of clothes that have already been donated.

**ATTN PARTNERS: PLEASE CONTACT US NOW TO DOUBLE YOUR MONTHLY DONATION OR LOG INTO YOU PARTNER ACCOUNT**

**WE NEED YOUR HELP IMMEDIATELY**

Thousands will be healed. Thousands will come to Christ. Its time for good news to come from Haiti, a nation that has had the attention of the world because of disaster and pain will be a nation of joy, peace and His presence. Because of God's great love for a broken, forgotten people. Haiti is poised for revival. Be a significant part of touching this nation with the love of God. The collective impact will be massive if each of us join together and do what we can do today. Please pray and respond now.
