

Bring Jesus to the trailer park

By Todd Bentley

By the way I fasted yesterday with you guys and have been praying for the harvest locally and abroad! It sure is nice to be do these 30 days with partners!

I also wanted to share with you guys how powerful the School of the Anointing has been. I continue to review my note and put into practice what I learned. I wanted to share that I prayed for three people at the trailer park a couple of days ago and the Holy Spirit did wonders J One 50 yr old lady had a tennis ball size tumor on her neck, rotator cuff pain with restricted arm movement plus she couldn't walk well due to arthritis pain and swelling in both ankles which caused her to gain a lot of weight. Not only did the Holy Spirit shrink down her tumor to barely visible He healed her of restricted movement and pain in her rotator cuff and her ankles were healed and are now 100% pain free so she can get out and exercise!

That same day I prayed for a 30 year old guy who was out of work due to arthritis in his back, hips and leg. After I prayed the first time he felt 20% better, then 40%, then 80% then 99% then 100% as I prayed then he tried it out 5X! I just kept pressing in and he was so excited! He kept saying this feels good, I want to try these stairs again, I think I can go back to work!!

I'm taking what I'm being taught by you guys, hitting the streets and having a ball!

Praying for revival in my local trailer park!!

Bless you guys and thank you for all the training and impartation!

Tom
