

Supernatural Finances After Sowing

By Todd Bentley

I have had several people asking me for prayer and testimonies about sowing into the Greater Glory. I am imparting faith to them and exchanging info to keep building their faith by sharing mine. I would like to share the second part of a previous testimony. After an angelic rebuke and heaven telling me "Tomorrow's vision will have its own provision", I arrived home to find my business had sold a car that was sitting in my back lot for several months. The car sold for more than enough money to cover my upcoming trip and the two 1,000 dollar offerings!

A few months later, the Lord spoke to me about having faith for the \$250,000.00 building next door and I met with the owner on Wed. We agreed on the terms of \$15,000 down and the rest would be paid over time. On Friday and Saturday my biz had a super normal flurry of commerce that produced above normal by exactly \$15,000.

At the end of the day, the owner asked if I could come up with another \$5,000 for the down payment, to which I replied, "No problem!"

That evening is when I found the ten \$100 bills by my bedside. I put in a bank bag with the other \$15,000.

The next day I flew to Redding Ca, for a conference and my wife counted the money and it multiplied as she counted until we had exactly 20,000. We have occupied the building for over 2 years now, and there is an open heaven over it. We've witnessed miracles, healings, gold dust, angelic winds, blue lights etc., in that building.

I told Todd this story, and he said he was going to tell his "Greater Glory" testimony that night in the meeting. I sowed \$500.00 and that week I put \$50,000 into my bank account.

I came back for the Greater Glory conference and one of the items on my list was a house Donna and I want. I sowed another \$500.00 seed.

A few days after I got home, I felt led to stop by and visit my friend who owns the house we want. While sitting in the living room of the house, the owner asked me if I was going to buy it. I replied, "Sure, just as soon as the Lord works it out!" He said, "I believe the Lord wants you to have it, and I am going to offer you a deal you and the Lord can't afford to turn down." He lowered the price by exactly 50,000.00 and lowered the down payment 50,000.00 and agreed to finance the balance himself.

All I need now is \$25,000.00. That is why I am holding out for the 100 fold return on my offering in this conference. I sowed that \$250 mindful of the \$25,000. It is already up to 40 fold and growing!

I will keep you posted on how this all works out!
