In the post-modern, post-Christian world we have become accustomed to the unfortunate reality that truth is a thing of the past. Not that it isn't real, but that it is no longer seen as real. At, best it's a fantasy that can be made up according to whatever the individual wants it to be.

If you look close at the way of the world today you can see just how this has impacted every facet of our lives today. The breakdown of marriage which leads to a vicious spiral of the breakdown of the family. Then when the family begins to breakdown there's a rise in all sorts of behaviors and attitudes simply as a reaction against the instability in the home. Those children grow up into adults, but not out of what their childhoods did to them and they continue to pass that on. That's only one area where the renunciation of the truth leads to devastating results. There are many more.

It is this reality that we are going to be investigating in our next sermon series. We will see that God has had something to say about every area of our lives as it was designed to function. Consequently, because of sin and the breakdown of truth every one of those areas is suffering, but there is something that can be done. So I hope you will join us over the next couple of months as we see just what God has made all these pieces of life to be like. Pieces like science, government, history, philosophy and many more.

Aside from the new sermon series that I am excited to get started, there are many other exciting things going on this month that I hope you will actively participate in. We are continuing our Hebrews Bible study on Wednesday nights at 6. We will put our float in the Labor Day parade celebrating Vacation Bible School and promoting our Community BBQ, which will take place the following Sunday on the church property.

All of these will be great times to gather together, to invite someone new, and to live out the faith our Lord has called us to.

Jesse

Time for a brand-new school year! Fall is here and with it comes fresh starts to our weekly ministries! Here's what's in store:

CLUB 4:12 (formerly Monday Madness): Our elementary kids' group will now meet on Thursdays from 3:30-5:00; but only the day has changed! We will still have all the fun, food, and friends to look forward to (not to mention all the surprises in store)! This year we will be focusing our study on the Books of the New Testament! Our new name comes from 1 Timothy 4:12.

KICKOFF: September 9th – A Happy New Year's Party! Time to Celebrate!

YOUTH GROUP: Our group for middle and high school young people will continue to meet on Wednesdays from 6-7:30. This will be a time for them to be themselves, to relax, and enjoy time with their friends in the faith. We will be studying a variety of topics geared toward helping them gain confidence and boldness in their faith. (But only after we have played games that are crazy fun and eaten more snack food than allowed by law!)

KICKOFF: September 8th – SCHEELS Scavenger Hunt! 6-9pm

WHAT DOES THIS MEAN TO ME? Aside from some good information, why should YOU care about when these groups meet? I have a list!

- These young people are our present AND our future!
- How can they know they are loved by God if no one (like you) shows them love first?
- It means so much when someone who doesn't HAVE to be there chooses to show up!
- They may not have an example like you to look up to anywhere else.
- Making a difference in their lives is certain to make a difference in yours!

Feel free to visit activities anytime; you will be blessed as much as you will be a blessing!

Mission Moment - Stantons in Hungary & Betty Martin at Murrow Indian Children's Home

Mission Letter – Summer 2021
Larry & Becky Stanton, Hungary

We've been everywhere! Since we came home to get our vaccinations in March, we've been visiting our supporting churches almost every Sunday. We're on our way this weekend (July 24) to visit our partners in the Central Region in Olathe, Kansas. We will share with one of their ABW groups this Tuesday (July 27). Then, our sons, Caleb and Patrick and their families will be home! We haven't all been together since Caleb's wedding in 2017. Please rejoice with us during this time of family celebration.

Return to Hungary August 24

Visiting home and our American church family is a joyful treat, but our hearts are longing to go back to the other side of the Atlantic. If the Lord is willing, we will board a plane August 23 for the long trip back home. Please pray for us as we go, especially for rekindling the relationships that have been dampened by Covid. As you continue to cautiously reunite with church, friends and family, pray that we are able to step back into our mission field. As Larry says, relationships are fragile things and because of covid, he hasn't been to Serbia and to work with the refugees directly for over a year. Please ask the Holy Spirit for the Lord's help doing only what he can and with his love, for his glory and our joy! Remember to Like and Follow our adventures on Facebook StantonGlobalServants.

Mission Letter – Summer 2021  
Betty Martin, Muskogee, Oklahoma

On behalf of Murrow Indian Children's Home Board of Trustees and myself, I want to thank you for your support through the pandemic. I know it has been a real struggle for everyone. It was a financial setback for Murrow and we did not have any mission/volunteer groups this past year.

As the pandemic slows and the mask mandate is dropped, we want to encourage all of you to become more involved with Murrow Indian Children's Home. Of course, financial assistance is a great need. However, for those of you who feel a little adventurous, there are mission and volunteer opportunities available. If you are unable to get out or provide financial assistance, please pray because prayer is the one thing that everyone can provide. Please pray for the children at Murrow, the Murrow Home staff and the finances. Remember, your investment in Murrow is an investment in the future of a child.

## OUTREACH PROJECTS

### Because hunger doesn't take a break on the weekends...

Blessings in a Backpack is a program whose mission is to keep students from going hungry on weekends and remove barriers to academic success. Each Friday during the school year, backpacks filled with non-perishable foods are sent home with qualifying children. Can you help feed them? There is a box in the church hallway. Items needed are: cans of soup (chicken noodle, tomato, ABC), Spaghetti Os, cans of fruit & veggies, mac 'n cheese, large slim jims, applesauce, raisins, soft granola bars, fruit and grain bars, canned chicken. Or \$14 can feed one child for 1 month (just put BACKPACK on the memo line of your check). (Monetary donations are accepted year-round.)

Clean, small metal cans (tuna, cat food, etc.) and wax, crayons, used candles are needed for **UPLIFT**, a ministry of supplying candles to Kansas City's homeless. Cans can be dropped off in the church hallway. Thanks

for your help.
