

PARENT GUIDE-WEEK 2

SPIRIT THING-THE HOLY SPIRIT COMES AT PENTECOST

CRAFT ACTIVITY: SACRED ART!

What You Need: Sacred Art activity page, markers, crayons, tissue paper, glue, modeling dough.

What To Do:

- Have your child use whatever supplies you have at home and decorate the picture.
- When the areas are filled in, the picture will look like a mosaic or a stained glass window depicting the tongues of fire during Pentecost.

What To Say: This was such an important moment in the life of the church. There are thousands of beautiful pictures like these to remind us of that time. Jesus had given His friends a big job to do, and He sent exactly the right helper to give them the strength to do it! The Holy Spirit lives inside of people who follow Jesus and helps them do what's right.

QUESTIONS TO DISCUSS:

Did you have a situation this week where you had to show determination? What happened?

What's one way you've seen someone else-like a friend or family member-show determination?

PRAYER ACTiViTy:

What To Say: “Dear God, thank you for your Holy Spirit. Thank you for the truth, wisdom, strength, and encouragement You give us so that we can keep going and do what’s right. Help us to listen to Your voice in our hearts and put others in our lives who can help us do that too. Amen”

GOD TiME CARDS ACTiViTy:

- Look over this week’s God time cards and begin activities.
- Encourage your child to work on them each day!
