Elders' Newsletter

“Stewardship” – God directed Adam and Eve about stewardship from the very beginning. Read these two verses from the creation account (day 6):

“So God created man in His own image, in the image and likeness of God He created him; male and female He created them. And God blessed them and said to them, Be fruitful, multiply, and fill the earth, and subdue it [using all its vast resources in the service of God and man]; and have dominion over the fish of the sea, the birds of the air, and over every living creature that moves upon the earth.” – Genesis 1:27–28 (AMP)

I love how the Amplified Bible Translation expands upon the concept: “using all its vast resources in the service of God and man”. During my time as biologist for Washington State, I often referred to this very passage as the basis for my occupation. In fact, “steward” is the first job God gave mankind; He asked us to steward His creation and His resources. Join us this weekend as Jack Davis shares on the topic of stewardship.
