## Elders' Newsletter

Happy New Year! The beginning of the year is often when we assess progress and set goals for the coming year. The past two years have been a bit bumpy, no? I have found myself having to lean into the promises that God is in control and nothing surprises Him. Without really knowing Him as anchor (His truth, mercy & grace, authority, and righteous judgement) it is easy to become discouraged. Do you know folks (friends/neighbors/co-workers, etc.) that are being tossed in the roiling seas of the world? What would your anchor have you say to them? What does knowing your anchor provide you, personally? This weekend we consider how to be on mission with Jesus (The Perfect Prophet, Priest, King, and Judge). I hope to see you there.
