Elders' Newsletter

Parental love. It's something that every child craves. It's something that every child longs for and depends upon for their very life and internal sense of worth. Unfortunately not one of us has ever had a perfect earthly parent. But the Bible teaches us that we do have a Heavenly Father who loves us perfectly and is able to meet us in our darkest hour to encourage and empower us to actually thrive. This weekend the Apostle Paul will be reminding us of how our Heavenly Father does this. Please join us this Sunday as we see and internalize God's amazing love for each one of us.
