Elders' Newsletter

What does it mean to truly live? That's a question that we all want to have a good answer for – more than that, that is a question we want our lives to be able to answer. But getting to the place where our life is an answer to that question is the stuff of sages and grandparents. How do we get started? How do we start 'living the dream?' I think it is apparent 'that one dream doesn't fit all'. This makes it all the more difficult to know what yours is.

In a message from 1Thessalonians 3:6-13 I've entitled 'True Living – It's No Dream', we will see what it means to truly live from God's perspective. Please join us Sunday morning at 10:30 am for worship service.
