Elders' Newsletter

"Smarter than God." Is anyone smarter than God? Not according to the Bible. There is simply no one out there who is wiser or smarter than Him. Unfortunately, we all act and behave as if we are smarter than the Almighty far more often than we realize or care to admit. Every time we cross one of God's boundaries or break one of His Laws we are doing it. In that very moment each one of us is convinced that we are smarter and wiser than the Lord of Heaven and Earth. Every time we disobey God we are actively believing the lie that our way is ultimately better than His way. It's delusional thinking and we all struggle daily with this aspect of our walk with Christ.

Please join us this weekend as we engage the next portion of Scripture in 1 Thessalonians 4:1-8 as it focuses on this all too present dynamic in our lives and how Christ sets us free in real time from this dangerous lie. He is able!
