A MESSAGE FROM THE DIRECTOR

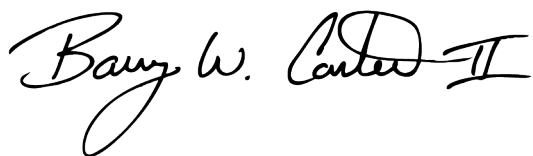

East Coast Camp 2021 was one for the books. With everything going on in the world of the pandemic that year, God ordained East Coast Camp 2021 for a reigniting of our faith. Reigniting is just part of the process of the "light pushing back the darkness" as we find in John 1:5. Once we have been reignited, we have to make sure we "Stay Lit". We must continually add fuel to the light of the Holy Spirit in our lives and keep that light out in the open for all the world to see it. I love how The Passion Translation paraphrase's Matthew 5:14-15; "Your lives light up the world. Let others see your light from a distance, for how can you hide a city that stands on a hilltop? And who would light a lamp and then hide it in an obscure place? Instead, it's placed where everyone in the house can benefit from its light."

How bright we burn for Jesus is up to us. How bright we burn for Jesus also effects those around us. We must feed ourselves with the word of God and then make sure to never hide the brightness of our light. That is why this year's theme is "Stay Lit". Yes, it is a cultural reference but also applies spiritually. We must choose to Stay Lit. We must choose to allow our light to be seen.

We are excited for the Word of God, the atmosphere of worship, and the sense of community that will be instilled into every student at East Coast Camp this year. We have an expectation for each student to leave shining the brightest they have every shined for God. The simple truth is this, light and darkness cannot occupy the same space. It's not only scriptural, it scientific as well. That's why we believe that each student will be burning so bright for God that when they go back to their church, their families and their friends the darkness will begin to be overran by the brightness of the light of God in their lives.

We cannot wait to see you at East Coast Camp 2022.
