

# SAFETY PROTOCOLS FOR REGATHERING

## PRIORITIZING THE HEALTH & SAFETY OF HFC FAMILIES:

We believe that one of the best ways to “love your neighbor” is to not get them sick. That means, we will always put the health and safety of the vulnerable ahead of benefits to the healthy. That is why we’ve created these safety protocols for all Hoboken Free Church gatherings. Please read through them so you know what you can expect from us, and what we are asking of you.

## WHAT TO EXPECT

*Think of other people as more important than yourself. - Philippians 2:3*

### SELF-CHECK HEALTH ASSESSMENT

We’re asking YOU to self-check for COVID-19 symptoms (cough, fever, chills, muscle pain, difficulty breathing, sore throat, loss of taste or smell) and risk factors before attending any HFC events. Please stay home if you are feeling unwell or if you’ve been in contact with anyone with COVID-19 in the last 14 days.

### MASKS

Masks are required to be worn by all adults and children ages 2 and older, and yes, this includes at our outdoor events. Please bring your own masks to all event

### HAND SANITIZER STATIONS

Hand sanitizer stations will be provided at every Hoboken Free Church event.

# SAFETY PROTOCOLS FOR REGATHERING

## FOOD & DRINK

We won't be serving any food and we ask that you don't bring any outside food to HFC events. Since you can't eat with a mask on, we believe this is best for everyone's safety and comfort levels.

Bottled water is an exception—stay hydrated!
