ABCS

Arizona Baptist Children's Services has begun a new project with their (Arms of Love) foster care ministry. This project will be to open a foster care center where foster families will be able to draw resources for the children that they receive. There is currently no foster care resource centers in Yavapai county, this project will reestablish that. This facility will also provide a place for families to receive training in parenting classes and offer a home like environment for more manageable transitions. This facility will also host visits for parents and children who are under the department of child services supervision. The project goal is to raise \$40,000 for renovations that have already begun to take place. ABCS hopes to have this facility open by March of 2021. If you can help with this project in any way please contact Pastor Jackie at jackieboyd@cableone.net

Any donations for this project are tax deductible up to \$500 for individuals \$1,000 for couples.

Prescott Remodel

Help foster greater community

ABCS is remodeling the cabin at First Southern Baptist Prescott Valley!

ABCS' ministry model is to partner with churches and house our offices on church campuses. It's a win-win for both the church and ABCS as we make improvements to their campus and provide on-site ministry. For the last five years, First Southern Baptist Church of Prescott Valley has graciously allowed us to lease and utilize their property. With all that God has done through ABCS, we feel called to have a more permanent presence in Yavapai County and engage the community through on-site ministry.

Help us reach our goal of \$40,000 for the remodel by March 2021

Our Goals

- Serve hurting families by creating visitation areas for families involved with the Arizona Department of Child Safety (DCS) to meet with their children who have been removed from their home.
- Reopen a Yavapai County Foster Care Closet for Arms of Love Foster Care families and foster families licensed with other agencies in the area.
- Provide hope & care by building a conference room for parenting education and other community education classes.
