THE BLACK CONSERVATIVE AGENDA

How To Fix ~~Black~~ America

BCS2022 is a premiere event for conservatives and takes place as Black conservatives, along with “all freedom-loving Americans” grapple with what they see as a WOKE TAKEOVER of America. This years summit theme “How to fix ~~Black~~ America” will be woven throughout the fabric of the event as a constant reminder that America is “one nation under God, indivisible...”

We’d like to invite you to be a part of the 5th Annual Black Conservative Summit (BCS), which will be held at the Tinley Park Convention Center, September 8-10, 2022. With an anticipated 1,000 conservative African American leaders and activists from all over the country, as well as national media, you won’t want to miss this opportunity. We will discuss hard hitting topics and challenge the current Liberal ideology that is taking over our schools, political systems, and even some of our churches.
