

Livestream/Technical Position

Job Description

Purpose: To provide the best possible livestream experience for Sunday services as well as provide technical support as needed to the church.

Hours:

Sundays: 7:30am-12:30pm, five - ten hours the remainder of the week as needed.

Compensation:

This will be a salaried position of \$800/month.

Job Duties include, but are not limited to:

Sunday Morning Worship

1. Research, set up and monitor livestream platform.
2. Film and mix sound for the livestream on Sunday Mornings.
3. Edit and upload the service to desired platforms.
4. Any other duty required or assigned by church staff.
5. Work with volunteers as they adjust the live mix.
6. Ensure the livestream area is shut down, locked up and secure.

Other Needs

1. Assist Church staff with technical difficulties that may arise.
2. Improve, maintain and monitor church security system.
3. Help with ideas that would improve church security, audio/visual programs and sound quality.

Qualifications:

1. Must be committed to and aware of all the ministries at New Life Church of Powell.
2. A heart for worshiping God.
3. Able to work in a team setting and take directions.
4. Have good communication skills
5. Ability to think quickly and react/trouble-shoot properly in high stress situations.
6. Willing to attend training sessions and read/watch other training material for improving existing skills if needed.
7. Strong computer skills are imperative. (Microsoft programs including Word, Excel, PowerPoint, worship softwares and knowledge of computers)
8. Knowledge of sound and sound systems (or willing to get training.)
9. Heart to serve.

Position will be open until filled.
