Non-Disaster Webinars:

Business Smart READY - Virtual Part 1 - This webinar covers the business and financial basics needed to start or grow a business. You will understand the initial steps to starting a business. It is a good starting point for new business owners as it serves as a checklist of the things you should be doing. It also helps existing business owners to ensure you are implementing best practices.

Tuesday, JUNE 9th at 9:00am CST: [CLICK HERE](#)

Business Smart GET SET - Virtual Part 2 - This webinar covers what startup businesses as well as what new and existing businesses need to have available in order to apply for a loan. You will understand the initial steps to various types of financing available to a small business (whether a new business or already established business) as well as what lenders look for in a loan application.

Wednesday, JUNE 10th at 9:00am CST: [CLICK HERE](#)

Non-Disaster SBA Financing- The SBA will give an overview of some of its regular SBA loan programs such as 7(a) and 504 loans. Information will also be presented on some SBA Resource Partners and the services they offer, which are beneficial to the success of a small business.

Wednesday, JUNE 10th at 3:00pm CST: [CLICK HERE](#)

8(a) Business Development Certification Program Webinar- To help provide a level playing field for small businesses owned by socially and economically disadvantaged people or entities, the government limits competition for certain contracts to businesses that participate in the 8(a) Business Development program. Disadvantaged businesses in the 8(a) program can: 1) Compete for set-aside and sole-source contracts in the program; 2) Get a Business Opportunity Specialist to help navigate federal contracting; 3) Form joint ventures with established businesses through the SBA's mentor-protégé program; 4) Receive management and technical assistance, including business training, counseling, marketing assistance.
