Dear TBS Families & Friends,

We appreciate your patience (as families) and persistence (as faculty & staff) throughout this time.

We have been monitoring the process closely and relying on external resources such as the CDC, Tacoma-Pierce County Health Department, and Washington Public Schools to help navigate this health crisis.

We have also formed an internal COVID-19 Task Team of resources to aid in our discernment and decision making.

- Ron Nelson – TBS BOD
- Beth Wing – Faculty & Staff and Athletics
- Nora Gass – Business Operations
- Dwayne Beavers – Facilities, Maintenance, and Safety
- LeAnn Kitselman – Guidance Counselor and Community Liaison
