

## BibleWayMedia Newsletter

May 22<sup>nd</sup>, 2019

Greetings Brethren!

I come to you now thanking you for your continued support and prayers. BibleWayMedia could not exist or continue without your support. We are so very grateful for those who support us by listening, by sharing, by your prayers and those who have chosen to support us in a monetary way. We are grateful and thank you for your support.

This month our long awaited mobile app became available. We are confident that this will not only make our podcasts more easily accessible but also will attract new listeners to BibleWayMedia thereby giving more a chance to hear sound Bible teaching.

From our early numbers we already see a great interest in the app and as we continue to advertise it we are confident that it will serve its purpose well.

We are always looking for ways to reach the lost and to encourage the brethren. For that reason we are working on the first edition of what we are calling a “digital magazine”. This magazine will have writings from several of our podcasters both men and women. The digital magazine, like everything else we provide, will be free. It will be available on our website and in digital bookstores. You will be able to print and share these magazines with others and your local congregation free of charge.

Another effort that is in the works is a series of digital books that will be a part of our new publications effort. The first book is being written now and we hope to have it available soon. These will be made available in the same forms as our digital magazine.

As for our numbers they continue to grow. We have been experiencing great growth as we have been for a while now. Our podcast listeners are about 90k

weekly. For this we give God the glory and thank Him for His powerful Word.

That's all for now. We once again say thank you for your support in all the various forms in which we receive it. As always feel free to contact us with any questions you may have. If you'd like to have a report given in person at your local congregation please feel free to contact me to arrange it. Thanks again and as I like to say "thanks for listening!"
