## From the Pastor's Desk:

Hello Church Family, Shiloh reopened on August 7, 2021. Thanks to all who lead out in the worship service. Our Worship Services are open for those who register online or in-person upon your arrival and are willing to wear their mask or approved face covering the entire time in the building. We ask everyone to practice social distancing, and please respect all instructions. Sitting is limited because of social distancing, and a section of the sanctuary is closed off due to damage. I want to thank all Shiloh members and leaders who made adjustments and sacrifices of time and resources to keep the ministries of Shiloh functioning during this pandemic. I know that God took note, but I want you to know that you are appreciated.

### SAC Education Scholarship

The South Atlantic Conference, through SACED (South Atlantic Conference Education Department), is pleased to offer two methods by which you and your members can receive financial assistance for children who attend accredited Adventist boarding academies, colleges, and universities. We base these allocations on information received by SACED by **October 3<sup>rd</sup> each year**.

Each area of financial assistance or scholarship is described below, along with the procedures for application. Please complete and return only the form which provides the assistance to which you are entitled:

**Matching Scholarship Fund (formerly called Three-Way Scholarship):** This scholarship is available to church members in the South Atlantic Conference whose children are enrolled in an accredited Adventist boarding academy, college or university.

- A. Pastor or designee completes the scholarship report form (make copies if necessary).
- B. **The completed form must be received in the SACED office by Monday, October 4, 2021.**
- C. Forms are acted upon on a "first come-first serve" basis.
- D. Include the student ID number or Social Security number (student ID preferred). This ensures the funds are credited to the right student. Names are prioritized (numbered) and submitted on the basis of financial need by the local church.
- E. The conference will match what the church sends up to **\$400 per student** at a boarding academy, college or university.
- F. **A check from the sponsoring church must accompany the report form. No personal checks will be accepted.**
- G. Some schools no longer participate in the matching scholarship, therefore, the only funds the student will receive are from the church and conference. Oakwood University limits the number of scholarship recipients per conference. **The conference does not determine the amount Oakwood gives or which students will receive the Oakwood University match.**
- H. SAC workers' children will also be considered on a limited basis as funds are available.
- I. **PLEASE NOTE:** Scholarships are not posted to the students' accounts until January of the second semester. Scholarships are limited to available funds.

"letting parents/guardians of students in an accredited Adventist boarding academy, college or university know that this Matching Scholarship (formerly 3-Way Scholarship) & Non-Constituent Fee Assistance Program (Southern Union Conference-supported school) is available on a first-come, first-served basis. Interested individuals should contact the church directly by no later than 8/31/2021 for more information and to receive and submit their application(s)."
