“Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours.” (Mark 11:24)

“Prayer is the Answer to every problem in life.”

Prayer is an essential Christian discipline. The Christian who fails to pray will fail to mature in their Christian experience. If it is valid for the individual, it is also true for the Church body. A Church that eliminates corporate prayer time together is powerless. Sabbath, July 10, 2021, is our cooperative time to fast and pray together. You determine your personal fast and how long you desire it to last. We need everyone to choose something to fast from and join us for one hour of prayer time. Many among us are hurting, and many are celebrating victories. We need to pray for each other and praise God with each other. Our God Is Able!

Revival- Almost Home

It's Revival Time!!! God has worked this out that as we prepare to come back together in our sanctuary, a much needed revival is scheduled. South Atlantic Conference & Shiloh SDA Church are collaborating to present a virtual Evangelistic Campaign, starting Sunday, July 18-31. Pastor Debleaire Snell of First Church in Huntsville, Alabama, is the speaker. You can view the nightly services through YouTube and Facebook. The meeting nights are Sundays, Mondays, Wednesdays, Fridays, and Saturdays. On the two Sabbaths mornings (24th & 31st), we will still meet at Shiloh for those who desire to come and worship in the sanctuary. Please invite family and friends to this revival. Allow God to handle the results.
