From the Pastor's Desk:

Hello Shiloh Members,

Fall is in full swing. The temperature is dropping, and the tree leaves are displaying their beautiful colors. The year has entered its final quarter, and we have embarked upon our last two months of ministry opportunities of 2021. Several ministries have activities scheduled for you, your families, friends, and others you can invite. The dates and times are listed in the newsletter. Some ministry highlights are Disability Ministry starting a Family Connect group for parents and families with children with disabilities that you find impactful to day-to-day life. Grief Ministry is presenting holiday surviving strategies. Marriage Ministry is starting a book ("The 4 Seasons of Marriage" by Gary Chapman) group. Our Revival Campaign, "Lord Save My Family," is in November. Also, we have a group of active members, "Shiloh On The Move," that encourage each other to stay healthy. Members can walk, run, ride, swim, or hike. You can download the free app STRAVA to join. When you download the app and join the group, you will see the other members. Thanks to you all, our Food Pantry is still serving our community. Remember, next month we are hosting our annual Christmas dinner. Please continue praying for each other and the ministries and facilities of Shiloh. Remember, God, Is Able!
