

VOLUNTEER POSITION

Ministry: Worship Ministry

Title: Equipment Operators

Time commitment for this position: Wed evenings, Sun mornings, 1+ times per month

Location: Molalla and/or Beavercreek Campus

Position description:

The worship team focuses on leading Foothills to experience the presence and power of Jesus in our corporate gatherings. As we have grown from a church in one location, to having an online campus, and our Beavercreek campus, the Worship Ministry also needs to grow to continue following Jesus into our future. If you are interested in being a part of a team that has a lot of fun while serving Jesus, consider joining the worship ministry.

- *Media* – This person operates the computer that puts lyrics on the screens during the worship, and message slides on the screen during the message. The computer is pre-programmed so volunteers mostly just press a single button, but need to be able to focus throughout the services to not miss the moments.
- *Lighting* – This person operates the computer that controls the lighting in the room. As a beginner the lighting is pre-programmed and easy to navigate. As people grow in skills what they can do with the lighting also expands. If you would like to help connect people connect with worship at a deeper level, then this position is for you. Musical background is a bonus.
- *Camera operators* (Molalla Campus Only) – Our camera operators create relevant shots utilizing our video cameras to take whatever is happening on stage and in the room, and send it online and to the Beavercreek campus.
