WHO WE ARE

We are faith community empowered by the Holy Spirit, standing on a rich legacy, reaching for a radical destiny. We uphold the Word of God as our rule of law and order.

Doing life together is vital to our existence. We challenge and champion each other with truth and grace. We don't allow lack to linger, because everything we need is in the house. We are apart of the unshakable kingdom of God, sharing His love and light with a dark world.

2021

2020 has no doubt created a capacity that has challenged us in every way. We were forced to navigate through unknown territories that pressed us to adjust, adapt and alter how we engage God, ourselves and each other.

And while new norms were implemented to help us navigate the climate of the present conditions of our world the Lord is now commissioning us to build on those new norms.

One definition of new normal suggests it is the state to which an economy, society and culture settles following a crisis, when this differs from the situation that prevailed prior to the start of the crisis.

The crisis that started in 2020 doesn't dictate the standards of your life, your response to the crisis determines what normalcy you will experience.

2021

Nehemiah 2:17,18 (ESV)

"Then I said to them, 'You see the trouble we are in, how Jerusalem lies in ruins with its gates burned. Come, let us build the wall of Jerusalem, that we may no longer suffer derision.' And I told them of the hand of my God that had been upon me for good, and also of the words that the king had spoken to me. And they said, 'let us rise up and build.' So they strengthened their hands for the good work."

Nehemiah presents to us how we should respond in the face of a crisis. While the walls were burned down and Judah was scattered and in disarray Nehemiah decides to build upon the foundation of their present condition.

2021 doesn't have to be a rerun of 2020 but the question is are you willing to build on the foundation laid by the new norms of our society?

2021

Can the Lord trust you to commit to unite with the mission and vision of the church until we come into the unity of the Church of Jesus Christ?

Can the Lord trust you to help build and rebuild safe havens that help people see the importance of learning the ways of Christ, committing to be like Christ and helping others to do the same?

We are commissioned to build new structures, new standards and new systems on this new normal foundation. We cannot afford to allow past crises to determine future conceptions.

As we prepare for phase 1 of our church's building project we must put our hands on the work entrusted in our care.

This must be the year we devote ourselves to the work of "*Building on the New Normal.*"

FOR ALL THAT GOD HAS DONE, WE GO ALL IN

ALL IN is the commitment campaign that each member of Heavenly Vision is invited to engage in for the sake of deepening our commitment to Father God, and fulfillment of Christ's vision for the Church.

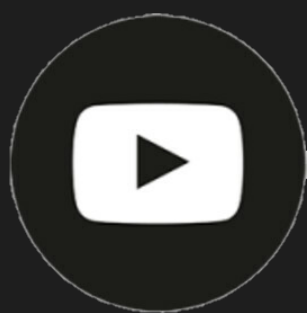

The Lord has given this church a vision; to reach, save, strengthen and mature. In everything we do we are advancing towards that end. The **ALL IN** commitment encompasses three major areas; Pastoral Care, Service and Generosity.

Submitting to **PASTORAL CARE** will afford each member with spiritual guidance for the various seasons of life, as well as our systematic processes of discipleship. Along with Pastoral care we are encouraging members to engage in a small group for individual development and corporate maturity.

We ask each member committed to **ALL In** to engage in at least six (6) months of **SERVICE** through on of our ministry teams; Prayer, Worship Arts, Outreach, Students min., Creative, Hospitality or Facilities.

We ask each member committed to **ALL In** to engage in monthly **GENEROSITY**, which consists of tithing (giving 10% of your income) and grace giving (giving as needs arise).
