**6. Java with Juli** - a fresh, relevant, and conversational podcast wrestling with questions about relationships and sexuality. It is NOT your traditional Christian podcast! No topics or questions are too challenging or risky to discuss. Nothing is taboo, but all is biblically-based and God-honoring. If you tune in, you'll find that we openly chat about things many women wonder but don't know where, or who, to go to for honest answers. We embrace a casual & multi-generational feel that has listeners imagining that they're also "at the table."

**7. ONE Extraordinary Marriage Show** - Tony and Alisa discuss sex, love, and commitment. They've had their struggles just like any couple out there, but they've come out of those struggles displaying an extraordinary amount of strength.

If you listen to their podcast you'll learn a lot about sex. You'll learn how to see marriage through your spouse's eyes, how to run the race – and stay in the race – of marriage, and how to cherish each other.

**8. The Power of Purity** - Tony Ingrassia. If God can help, heal, and redeem Tony's messed up life, there has to be hope for everybody and anybody else. Convinced that many *good* men struggle with their sexuality, it's Tony's hope that his story will help other men find hope and healing as they seek to bring their sexual gift under the authority of Christ.

**9. Real Men Connect** - The podcast was created for men who want to live, grow and lead better lives for the glory of God. Learn from some of the country's most respected and accomplished men of faith in every area of life that's important to you as a Christian man: faith, marriage, family, friendships, business, career, finances, sex, health, leadership, and much more. Each week, Dr. Joe has "keep it real" interviews with "godly men" who share their stories, struggles, and strategies behind their success as "Men after God's own heart."
