## A MAN'S PRAYER FOR PROVISION.

Heavenly Father, thank you for your goodness, your faithfulness, your grace, and your mercy. You are a good, good Father.

You tell us in your Word that you will meet all of our needs according to YOUR riches. You tell us that you will make a way where there seems to be no way. You tell us that you will withhold no good thing from your children. You tell us to open our mouths wide and you will fill them. Lord, we pray these prayers - believing your word.

Lord, we are expecting you to provide in miraculous ways - not just financially - but physically, emotionally, and spiritually. We thank you in advance for the ways you will meet our needs and the way you will use us to meet the needs of others.

May we come out of this season of fear, doubt and even despair knowing that you are our Heavenly Father and provider. In the powerful name of Jesus we pray. Amen.
