In just a few days we will be assembling to take care of our administrative affairs for Frisco Baptist Association. We will be meeting at Oak Grove Baptist Church in Hugo and our guest speaker will be Dr. James Swain who is no stranger to SE Oklahoma. This year our executive board approved a recommendation that we hold an abbreviated session so please take the time to notice when each item will be addressed. We have packed all our essential business in less than two hours, so I ask that you make plans to attend the entire session.

Our executive board approved to replace our doors and hardware at our KBA Cabin on the dorm side. Every year we have major issues with our doors and hardware, so I am grateful for this action and that we were able to start on it before the price of steel increased. Our administrative committee is preparing another recommendation to be presented to the messengers on October 12th for an additional KBA project that addresses the needs in our kitchen and cooks’ quarters. My goal is to see our cabin updated so that our churches would desire to use it all year long for their different events and retreats.

Something to think about...McCurtain County sees over 1 million tourists a year and that number continues to grow. Be praying about how we can advance the Gospel message in helping people find and follow Jesus Christ in an area that is one of kind in Oklahoma.

Dr. Mark A. Boyd
