

Wellness Policy

For the welfare of all children and families attending The Shift, we ask that children NOT be left in the nursery or classrooms if they have not been symptom free, without medication from the following illnesses for at least 24 hours:

- Fever of 100 degrees or higher
- Vomiting or diarrhea
- Conjunctivitis (Pink eye or other eye infections that present with redness and or “goopy” eyes)
- Rash
- Nasal drainage which is green or yellow
- Sore throat
- Open sores
- Cold
- Excessive coughing
- Lice

PLEASE NOTE: we do not recognize teething as being a cause of fever or diarrhea.

If a child develops any of these symptoms while in class, their parents or guardian will be paged to retrieve the child.
