WHO WE ARE

Westbury Baptist Church
is a multigenerational, multiethnic
community of believers who seek to
ENGAGE, EQUIP, and EMPOWER
any person who desires to live
out the Gospel of Jesus Christ.

CORE BELIEFS

1. We believe in one God who exists eternally in three persons, Father, Son and Holy Spirit. God created the universe, is all-powerful, all-knowing and ever-present.
2. We believe that Jesus of Nazareth was the incarnation of God, born, or a virgin, who lived a sinless life, died an atoning death for our sins, and rose again the third day.
3. We believe the Holy Spirit is the spirit of God Himself, who dwells, empowers, transforms and encourages all those who believe in Jesus as Lord.
4. We believe that the Bible in the very word of God, divinely inspired. It serves as our ultimate authority; it enables us to know God and His will for our lives, both individually and corporately.
5. We believe that the fundamental problem in our lives and in the world at large is human sin. Jesus Christ came into the world to rescue us from our sin and the eternal separation from God that sin produces. By dying for our sins, He opened a door so that all who repent of their sins and believe in His grace will be saved.
6. We believe a church is not a building or an institution, but a group of Christ-followers who worship him together, love each other, and seek to show His love to our community and world. We believe that Jesus left us two ordinances to follow:
 - Baptism by immersion symbolizes the new life we have through the death, burial, and resurrection of Jesus. At WBC, we baptize believers when they profess faith in Jesus.
 - The Lord's Supper is a re-enactment of the Passover meal Jesus ate with His disciples the night before His crucifixion. We celebrate the Lord's Supper four times per year. It reminds us of His death for us, and gives us a foretaste of His return.

PURPOSE/PHILOSOPHY

- The WBC Day Camp is a recreational/camp-oriented program for children who would like to have a great summer of playing, learning, experiencing and seeing. It is a time to be outside, inside, to play active games, to learn about the Bible, to do crafts, to learn new skills, and to make new friends. Day Camp is a camp designed to meet the needs of children in a constructive, healthy, happy environment. We believe that the summer should be fun for children and commit ourselves toward that end.
- Day Camp is a learning experience. Children are taught new skills that will last a lifetime. Campers also learn about relationships with each other and with God.
- Day Camp is childcare. In today's world many families have only one parent, or both parents have to work. The children need to be somewhere. The WBC Day Camp strives to meet the needs of working parents and to eliminate the parents worry about their children during the summer by providing extended care times before and after Day Camp .

PROGRAM GUIDELINES

- Each camper is expected and encouraged to participate in all activities to the best of his/her ability.
- No camper is to leave the supervision of the Counselor without expressed permission of the Counselor.
- Foul language, profanity, obscene gestures or any clothing with the aforementioned items printed on it will not be permitted. Any such abuse will result in the Counselor/child calling his/her parents to report what language is being used, or a short session with the parent, child, and Director at pickup time.

- Any camper who is constantly disruptive, non-cooperative, or who fails to comply with the stated rules, will lose his/her privileges of field trips or programmed activities. Physical violence will not be tolerated. If the inappropriate behavior stated above becomes a reoccurring issue, even after intervention and parent conferencing, the camper will no longer be permitted to attend Day Camp.
