3. How do you understand the qualities you expect in your church leaders with them also being human?

Post-Video Discussion Questions

1. Read 1 Timothy 3:11 and 1 Timothy 5:17. Why would these lead us to believe that the highest office in the church is reserved for a man?
2. Is a man leading in the church an issue of *culture* or *creation*?
3. Discuss this statement, “*Adam’s headship in marriage was established by God before the Fall and was not a result of sin.*” Also, how were the roles of man and woman affected after the Fall?
4. Instead of focusing on what a person can’t do, what would it look like if older women invested in younger women and older men invested in younger men?
