Pre-Video Discussion Questions

1. Please take the time and have each person formally introduce themselves. Possibly tell where you work, go to school/college, and how long you've been going to our church.
2. Have someone read this important statement from our church leadership concerning this class
"There will be a lot of information that you will learn over the next several weeks. Some of the information will be life-changing because you've never heard something taught quite like this before. However, there may be other moments in this class when you struggle keeping up or don't understand a concept or teaching. During those moments, please focus on what you understand and not what you don't. Understanding the Scriptures is a lifetime of study, not an instant grasping of every truth. Be patient with yourself. Ask God for help when you don't understand. Most of all, don't quit learning. These classes are meant to provide a greater knowledge of God that leads you to know and love Him more."
3. This class will address the person and work of Christ. Because of who He is and what He has done, we call ourselves Christians. With your group, develop a 2-3 sentence definition of what it means to be a Christian (not how to become one, but what it means to be one). You'll share this with the whole class.

Mid-Video Group Project

Work through the following biblical texts in order and summarize what you can know about the coming Messiah from each verse as the OT picture fills out. In other words, what would First Century Jews know about the Messiah after reading these texts?

Genesis 3:15; Genesis 12:3; Genesis 49:10; 2 Samuel 7:11-14; Isaiah 53:3-5

Post-Video Discussion Questions

Have each person in your group communicate one thing they learned from today's session.
