**Pre-Video Discussion Questions**

1. In review, what is the meaning of Pneumatology?
2. Another review question is “how did the Holy Spirit operate distinctly in the Old and New Testament”?
3. One of the values at The Summit Church is that the “Holy Spirit of God and the Word of God enable us to do the will of God.” Please describe how you believe the Holy Spirit and the Word of God work together.
4. What does being filled with the Holy Spirit mean to you, as far as you understand?

**Post-Video Discussion Questions**

1. Acts is an important book for the doctrine of the Spirit because it is the key source for most Pentecostal ideas (and can be difficult to interpret). Work with your group to explain the following statement, “Acts is a ***narrative***, and not all things described in a narrative are necessarily prescribed as things we should do.”
2. What is the difference between the ***baptism/indwelling of the Spirit*** and the ***filling of the Spirit***?
3. How is the filling of the Spirit demonstrated in everyday life?
4. What is one thing you learned today and how will you apply it to your life?
