

SCHOOL OF LEADERSHIP DEVELOPMENT

HANDBOOK

A LETTER FROM OUR LEAD PASTORS

Dear Student,

The day is almost here, and we are counting down! We are so thrilled you've chosen to join us in this School of Leadership Development, as we launch Dreamer's Church School of Leadership Development! We can't wait to meet you, and we're so excited to partner with you in this journey. There are so many incredible things ahead, and we believe God is going to bless you greatly as you invest these next months to seek Him, and pursue His call for your life.

We want to encourage you, whether you're a native Austinite, or you're making the moving here from out of town, even as you prepare to enter this next season that you would begin to press into God right now. Don't wait! We need your prayer daily, and we believe that your commitment to prayer will pave the road ahead for you to have the greatest God-encounters and God-opportunities that you have ever experienced.

We also want to encourage you – be excited about Austin, Texas! In Joshua 1:3, God tells Joshua, *“Every place on which the sole of your foot treads, I have given it to you, just as I spoke to Moses.”* We are claiming this promise for the city of Austin. We believe that God has given this city to us as our inheritance, and as you partner with the vision of Dreamer's Church, you are taking part in that inheritance. Believe with us that as we release “A New Sound in Austin”, that a move of Holy Spirit would sweep this city, and we would see the people of Austin won for Jesus Christ.

So be expectant; expectant that you will encounter God in a greater way than ever before, expectant that you will grow immeasurably as a man or woman of God, expectant that you are stepping right in to the middle of God's will for your life, and expectant to see a city saved and transformed by the same power that raised Christ from the grave.

We can't wait to get started; see you soon!

All our love,

Pastors Poncho & Lora Lowder

DREAMER'S CHURCH SCHOOL OF LEADERSHIP DEVELOPMENT

WELCOME

Dreamer's Church School of Leadership Development is a ministry of Dreamer's Church, and in partnership with Portland Bible College. We are committed to raising up, equipping and empowering dreamers to go after their God-given destiny. We have a passion to help you discover and develop your God-given gifts and therefore become a person of influence in every sphere of your life. You will be equipped with vital spiritual and practical tools for life and ministry through teaching and preaching from the Dreamer's Church staff, Portland Bible College professors, and other guest speakers.

This handbook is designed to familiarize you with School of Leadership Development life as you begin this journey with us. It will be your guide to the requirements of the School of Leadership Development as well as the many other activities that will take place. This handbook clarifies the values and standards we hold and that we expect you to honor in your conduct as a Dreamer's Church intern.

During your time here at Dreamer's Church School of Leadership Development we want to encourage you to open your heart to all that God has planned for you. This is an opportunity for you to stretch and grow not only in your spiritual walk but also in every aspect of your life. Life at the School of Leadership Development will be rewarding but it will also present its challenges. Here at Dreamer's Church we value open and honest communication between SOLD and staff. The staff is here to help walk you through any challenges you may face.

A BRIEF HISTORY OF DREAMER'S CHURCH

Dreamer's Church was a dream birthed in the hearts of our Lead Pastors Poncho and Lora Lowder over 5 years ago. They dreamed of planting a church in Austin Texas with a simple mission—to reach broken dreamers and help empower them to fulfill their God-given dreams. With the help of the initial Dream Team, a passionate group of people committed to reaching broken people in Austin, Dreamer's Church was birthed on October 7th, 2018. That Sunday, hundreds of people, including 25 pastors from the Austin area, met in east Austin at 4 PM.

From the beginning, Dreamer's Church has focused on reaching those who do not know God personally and building relationships through Small Groups. The life-giving message of the Gospel, the passion and joy of Sunday services, and

the simple style of Dreamer’s Church has connected immediately with the people of Austin. At the same time, we helped other church planters in the city and gave over ten percent of our income to missions/church planting.

We invite you to see for yourself how exciting church can be when the focus is simple and people are free to seek God with passion. So come dream! Dream with God, dream with others and dream again. Our God loves transforming the lives of broken dreamers into something beautiful beyond recognition.

SOLD CODE OF CONDUCT

A fundamental goal of Dreamer’s Church School of Leadership Development is to foster an environment in which its members may live and work productively together to see growth and development of Christian character both in and outside of School of Leadership Development settings. Since SOLD are also being trained for Christian ministry and are engaged in ministry as part of their course, it is expected that they will conduct themselves in a manner consistent with the standards expected of Christian leaders and ministers, and the churches in which they are ministering and being trained. SOLD are expected to be familiar with the SOLD Code of Conduct. These serve as the guidelines forming the protection of each individual’s well-being. Whenever violations of the rules occur, our Pastors will treat them as matters of serious concern because they disrupt the individual lives of SOLD, and the shared life of this School of Leadership Development.

Each student is expected to:

- Avoid attitudes and behavior that disrupts the unity and health of the School of Leadership Development
- Show respect and consideration for other students and their property
- Show respect for staff
- Attend all School of Leadership Development and ministry sessions and activities required by the School of Leadership Development and church.
- Pass all Bible College classes, and have all papers and projects turned in on time.

- Refrain from dishonest academic practices
- Abstain from alcohol and smoking.
- Be neat, clean and modestly dressed.
- Maintain a lifestyle that is beyond reproach (including, but not limited to abstaining from sexual immorality, abstaining from substance abuse, etc.)

LIFE IN AUSTIN

Austin is a vibrant, lively city, with a distinct, creative culture. The University of Texas, Austin, is right near the heart of downtown, and as a result, the city is full of young families, and college-age young men and women. College sports are a big deal here in Austin, so buy your Longhorns apparel at your nearest team store and you'll fit right in!

Named the capital of Texas in 1839, the beautiful Texas State Capitol Building adds to the beauty of the Downtown Austin area. It was the fastest growing city in America in 2014, and continues to be one of the fastest growing cities in America today. It has developed in to a tech hub; Google, Apple Inc, Facebook, Hewlett-Packard, Samsung Group, and many more all hold offices here in the city.

Austin is known as the Live Music Capital of the World, and the city is full to the brim with its live music venues. Folk music and rock are the premiere genres in the city, however there is a wide range of genres available, including jazz, pop, blues, rnb, and much more.

You will also enjoy the food and coffee scene in Austin. The city is known for its food trucks, with food ranging from Mexican to Greek, from Chinese to Thai, and it also holds claim to the best BBQ and Tex-Mex in Texas. The coffee scene in Austin is fast growing, and there are plenty of coffee shops to keep the coffee-connoisseurs satisfied. Starbucks is available for everybody else!

Austin is a fit and healthy city! If you like a late afternoon run followed by a quick stop at the salad bar in Whole Foods, you will love it here. There is an abundance of natural lakes, parks, and cycling trails, and plenty of health food stores available.

For a few specifics of how to enjoy the city, we recommend you check out Barton Springs Pool, Lady Bird Lake, the Texas State Capitol Building, the Baylor Street Art Wall, go watch a Texas Longhorns football game, wait for 2.5 hours for BBQ at Franklin's, grab a donut at a Gourddough's food truck, and you won't have trouble finding a place to enjoy some live music; trust us!
