

## **Perpetual Help Home**

Perpetual Help Home, Inc. is a Christian-based, restorative justice organization assisting women in breaking the cycle of incarceration, drug addiction and homelessness through making life changes, regardless of race, color or creed. They help women become productive members of society with transitional support, new life-skills training and permanent supportive housing. Perpetual Help Home, Inc. (PHH) began in 1995 to meet the need for a place of safety and healing for women released from jail or prison. Since opening, they have experienced exciting growth and continue to have an impact on our community. The primary success of the home is that the staff has provided a safe loving environment for women to change not only their life but the lives of their children!
