**Vulnerable Populations are Elderly, people with underlying conditions especially breathing issues and compromised immune systems

Restrooms should have limited use. People are advised to use restroom before attending

It is strongly encouraged to follow the CDC guidelines for safety (Wash hands, coughing in arm, avoid close contact)

Social congregating before and after service is discouraged inside facility

Greeting with a non contact waive is encouraged over handshakes and hugs.

Only Family Groups will sit together per row. Seating units will be 6ft apart. Children MUST remain with parents at ALL times.

Face masks will NOT be provided so bring your own if you desire a mask

It is extremely discouraged to attend on-site if you have any symptoms of sickness

Seating, doors, restrooms, common areas, etc. are be sanitized before services.

There will NOT be any handouts or writing instruments provided.

The service will dismiss by family units to minimize indoor socializing

ALL Services will remain online for those that choose to social distance
