Alumni Financial Policy

There is no tuition for returning alumni. Alumni are strongly encouraged to subscribe to SoKM All Access, a yearly subscription program that grants access to all SoKM content ever created. Subscribers also receive discounts and coupons on various store items, along with the ability to purchase SoKM manuals when a new edition is released. Subscriptions are billing yearly at \$48. SoKM All Access is optional but recommended.

SoKM Alumni Expectations

Aside from tuition payments, SoKM alumni will have the same expectations and requirements as the other students: the same attendance requirements, outreach and teaching requirements as the students. Our goal is to have alumni join wholeheartedly in the class again with the new students. We are asking each alum to take the course seriously, even though this will not be the first time through the program.

There are no penalties at the end of the year for not meeting the requirements, but it may affect the decision of your site facilitators on whether or not they would allow you to take the course again in the future.

Holiness Lifestyle

The School of Kingdom Ministry celebrates a lifestyle of holiness. We believe that we are called to a standard of purity that reflects Christ's character on the earth.

The following questions are aimed at assessing where each student is in their walk with Christ in purity. Answering "yes" to any of these questions will not automatically remove your application. All answers will be kept in confidence and known only by the location site leader. The School of Kingdom Ministry upholds standards of purity.

During the school year, the leadership of the School of Kingdom Ministry location can dismiss you as a student if these issues affect the training. We believe in grace, mercy and forgiveness of sins, but we also believe in a life that is uncompromised and working toward holiness.

Lifestyle and Values

The following is the set of values that the School of Kingdom Ministry team, which includes students and leaders, is attempting to live toward. They inform the way we should be relating to God, ourselves and others.

God

- God is always good, all the time. He doesn't use the devil's means to get his ends.
- God has the ability to turn any situation any way he likes. There is no issue too large for God.
- My circumstances do not determine who God is. Jesus is the perfect image of God.
- My favor with God is unconditional because it is based on the work of Jesus. I can never be unforgiven or guilty in God's eyes.

Myself

- I am a child of God, fully loved for who I am and not for what I do.
- Jesus has defeated sin in me; I am not a slave to sin.
- Jesus has redeemed me; I am no longer a sinner. I am a saint.
- Jesus tells me who I am, and my identity is in him; I won't look to anything else for my identity.

Family

- My spouse comes before all other human relationships.
- My children are my legacy, and I am to invest myself in them on their behalf.

Church

- I am fully committed to my local church as God's covenant people.
- I will honor the leadership of the church and school and support unity, not division, in spite of any differences.
- I will not participate in or endorse gossip or slander in any form.

Others

- I love, respect, and honor all people, regardless of how they treat me or others.
- I will work to empower other people toward their calling in Christ. I am not in competition with anyone else.
- I refuse to let fear control me, whether from people or demons.
- I choose to love others unguardedly.
- I will deal with confrontation and conflicts as quickly as possible in person with an honoring and teachable posture.

By signing this paper, I am entering into a covenant with all my fellow students and leaders of the School of Kingdom Ministry to uphold these values myself, as well as to encourage all other members in these values. I will commit to living these values to the best of my ability during the duration of the school year.
