In-Person Worship Service starts June 7 at 11am

These are the guidelines we will use as we resume in-person worship. Worship will continue to be streamed online through youtube and can be accessed directly or through the website, mobile app, or facebook posts. We encourage anyone who is feeling sick or has underlying health concerns to continue watching online until you are comfortable returning. There is no pressure and no timeline that works for everyone!

General Procedure For Worship

- Please enter through Main Sanctuary Doors on Hickory Street.
- If you park in the back, please only use the door at the covered walkway to pass through to the Memorial Garden walkway and enter through main Sanctuary doors.
- Ushers will seat you (*front to back*) beginning at 10:30am using alternating pews.
- Immediate families will sit together.
- Hand sanitizer will be available at the entry, masks are optional but not required.
- Offering plates will be available in the vestibule. The plate will not be passed during the service.
- Families will be dismissed by Ushers (*back to front*).
- Please exit the back of the sanctuary to access restrooms during the worship time.
- Please refrain from shaking hands and hugs in church at this time.

Children and Youth

- All children are welcome and are asked to stay with family during children's time.
- No nursery or children's church activities will be available at this time.
- There is a diaper changing station available in the women's restroom.

Additional Measures We Have Taken

- All Hymnals, Bibles, Pens, and Papers have been removed from pews.
- Busy Bags have been removed from the doors.
- A cleaning team will wipe down each pew, door, and restroom after all services.
- Only use the new restrooms in the back hallway.
- Please refrain from going through the fellowship hall, kitchen, or individual classrooms.
- No Donuts - just for now!

Additional Online Services

- We will continue to deliver DVDs to anyone that cannot access the services online.
- Wednesday and Sunday Bible Studies will continue to be held through Zoom.
