

Elisha and the Army

2 Kings 6

SUPPLIES:

- White paper
- White crayons (jumbo color is good to use)
- Water Color (or you could use a marker)

INSTRUCTIONS:

- Use a white crayon to write "God is the one true God" - draw designs around and remember to press firmly!
- Use water colors to paint your paper. We've found that using a smaller brush that holds less water works best. You'll want to find the balance between having the water colors be too wet and too dry. Somewhere right in the middle tends to be the sweet spot!
- Markers—lightly color over the paper
- As you paint, you'll see the message or image revealed
