Living Out the Mission... Loving & Serving God Together

TOUCHING LIVES THROUGH TRAINING & HOSPITALITY

In recent weeks, several members of our HP family have enjoyed new relationships with neighborhood Afghan families. Both our HP family and our new neighbors have been greatly blessed.

Recently, *Ron Duvall* offered to give his time to teach these families about the Tulsa bus system. Others joined in to plan a meal for our new neighbors to show them how much we care about them. Initially planning for a few, the numbers quickly grew. Over 50 people were a part of the evening!

It is our prayer that these families will come to understand that we care for them because God cares for them.

HP Youth

The youth group kicked off the summer with a swim party at *David & Denise Miller's* house. They swam, played basketball, prayed for one another, and talked about summer plans. They also happily welcomed back *Peyton Miller*.

Would you:

1. Pray for many students to encounter Christ this summer?
2. Invite students you know to join the loving HP youth group?
3. Encourage Peyton in her leadership?

You can find out information about the youth group, camp, and CIY Move Conference all at hptulsa.com/students.

Camp is right around the corner. To register your child, go to <https://hptulsa.com/students> (6th-12th) or <https://hptulsa.com/children> (grade school).

Our Deepest Sympathy

Kathy Morton's mom, *Barbara Kennedy*, passed away on May 8 in Waldron, Arkansas. Services were held on May 10 in Mena, Arkansas.

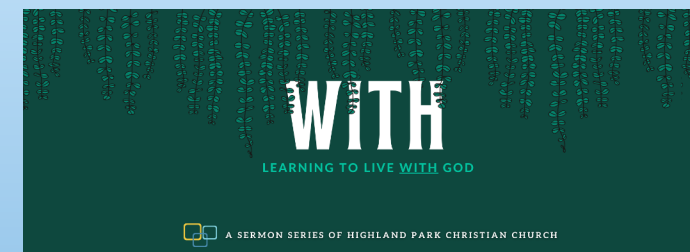

Mary Tomlinson, much-beloved and long time member of HP, passed away on May 10. Her service was on May 13 at Highland Park.

Please continue to lift these families in your prayers as they go through this difficult time of loss.

Mission of the Month: Open Door Libraries

Open Door Libraries has as its primary goal to reach people with the gospel message. They provide unique venues that are non-threatening to individuals and families who have limited access to Christian literature and few opportunities to interact with Christian people. Within the cities where Open Door Libraries serve, outreach ministries with a meeting place that is acceptable to all are rare. This can only happen as we ask for God's leading and provide the funding necessary to create environments in which others may come to know Christ. *Former HP Minister, Steve Thomas, and his wife, Debbie Thomas, are a vital part of the Open Door Libraries mission and will be with us on June 5.*

Humans choose different postures in their relationship with God. Some try to live without God. Others try to live above God. Some, with good intentions, only live for God. But His greatest hope is that we would live with God - walking, talking, and serving with Him.

Learning to live with God will change your life!

Will you join us as we continue to study John 15 and other Scriptures to learn how to live with God?

WE HOPE YOU'LL BE WITH US ON SUNDAY MORNINGS AT 10:30am AS WE STUDY THE WORD!

Thank You So Much...

We appreciate our church family immensely! Thanks for the calls, texts, cards, visits, food and prayers as Kathy recovers from her fall. You have blessed us greatly!

Dane & Kathy Tyner

Thank you so much for the beautiful flowers and cards and for all your prayers and the love you've shown to both of us and to our family during Lloyd's time in hospice care and after his passing.

Pat Hair

I hardly have words to express our thanks and appreciation for all your prayers and for the concern that was extended to us over the past several months since my sister Peggy's stroke in December. Even though we lost her in March of this year, we feel very blessed to be part of a church family such as Highland Park. Thank you so much for all the sweet cards and the many kind thoughts and words of comfort and encouragement for me and our family.
